

Supriti Bhandary
Hogan Coaching Network

Background

Supriti is an accomplished talent advisor and executive coach with over 20 years' experience in global human resource management. She has served as an independent director on the boards of Automotive Axles Ltd and Meritor HVS (India)Ltd.

Prior to becoming an executive coach, Supriti held several leadership roles in her career in Human Resources. She has worked and led teams in USA, South America, Europe and Asia. She served as Vice President- HR at Wipro Limited (NYSE: WIT, \$8.4B revenue), helping build talent practices as the company grew from 1,500 to 150,000 employees. As VP- HR, she had responsibility for overall talent management, assessment, organization effectiveness, performance management and M&A/ People transitions.

Her corporate and board exposure have helped her develop a deep understanding of organizational context, personality and motivation, enhancing her ability to coach leaders in an effective way.

Supriti has coached leaders at the executive (CXO/CXO minus 1) and senior middle management level across diverse industries. As an executive coach, Supriti is passionate about helping leaders achieve positive, lasting change in mindset and behavior. She focuses on coaching goals related to leadership, executive presence and role transitions. She leverages a coachee-centric, energetic, and positive coaching style to support her clients as they explore the changes they wish to make.
